

## FAMILY PLAN

Recreation Outreach Ministry is continuing the Family Plan this 2011-2012 year. This plan is to help families of multiple children afford this experience for their family. The price for your first child and each one thereafter is shown below.

### REFERRAL PROGRAM

We are offering an opportunity for our R.O.M. community to help outreach together. We are allowing any participant of R.O.M. since the introduction of the Recreation Outreach Ministry Advisory Council I (R.O.M.A.C.), which started with the Spring 2007 Baseball season, to receive referral vouchers for bringing in new families.

This means that for every "New Family\*" you bring you will receive a \$15 "voucher\*" to use on the season of your choice from Fall 2011 through Spring 2012. And if the family has participated in R.O.M. before Spring 2007 Baseball, but not since, then they can be invited back and a referral voucher will be issued. This referral plan will help our R.O.M. Family reach out to our community and partner with us to build this ministry in three ways: vouchers can be collected and used toward your child's registration fee, your new family's, child's registration fee, or to help sponsor another child.

- For example, five families each bring a new family to the R.O.M. program. In turn, each receives a \$15 voucher. The parents can then combine their respective vouchers (a total of \$75) to cover the registration for a child they want to sponsor. Thus, the remaining registration balance of \$10 will be the only amount left to pay.
- Another example is one family invites their whole neighborhood to join the program, for each new family they bring into R.O.M. they receive a \$15 voucher. The host family may then have their child play for free or they can give their voucher to each new family so their child can participate for \$15 less.

This tool helps us outreach and build up our program. Our hope is to be a multi-church and un-churched community who can come together and experience life through recreation. We believe in the quality of this community and its potential for reaching people so we can share the message of Jesus Christ.

\* "New Family"- If a new family has more than one child, only one voucher will be issued for them as a whole. This is because we have significantly reduced the cost for multiple children families in our *Family Plan*.

\* "New Family"- If a family has participated in R.O.M. before Spring 2007 Baseball but has not since then, they can be invited back and a referral voucher will be issued.

\* "Voucher"- We are using a voucher because it will not be redeemable until the accounts have settled, if referred players have to drop out or stop participating and request a refund the voucher becomes void and does not redeem.
